License Grant

ADT grants to Customer ("Customer") a nonexclusive and transferable license to use the ADT Software (source or object code in the distribution) for sole use with ADT products owned, leased, rented or evaluated by Customer. Customer may only use the Software contained in this package (i) for which Customer has paid a license fee or (ii) as license is provided at no fee from the purchase of an ADT product or (iii) ADT hardware products or authorized evaluation of respective ADT product. Customer grants to ADT or its independent contractors the right to examine its books, records and accounts during Customer's normal business hours to verify compliance with the above provisions. In the event such audit discloses that this Software is utilized with a third party company's hardware product or in violation of United States FAR or Export ITAR regulations, Customer shall promptly halt the use of respective ADT Software and said third party hardware product and pay ADT a fee equal to the retail price of the equivalent ADT product (hardware or Software). At ADT's option, ADT may terminate this license at anytime except where in use for government programs per appropriate US FAR or local regulations. By accepting this license, customer accepts all terms of ADT Terms and Condition and Standard Limited Warranty for the hardware used in connection with this Software.

Customer may copy the Software provided Customer affixes to such copy all copyright, confidentiality, and proprietary notices as appears on the original media or other media (such as web notices). Customer agrees that many aspects of the Software, including the specific design and structure of sub program units, represent trade secrets and copyrighted material of ADT. Customer agrees not to disclose, provide, or otherwise make available this Software, trade secrets or copyrighted material to any third party without the prior written consent of ADT. ADT grants the Customer the right to distribute this product for government services, or government programs, or as integrated as part of Customer's final product. Customer agrees to implement reasonable security measures to protect such trade secrets and copyrighted material. Title to Software and documentation shall remain solely with ADT.

LIMITED SOFTWARE WARRANTY

ADT warrants that for a period of thirty (30) days from the date of shipment from ADT: (i) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (ii) the Software conforms to ADT internal specifications. Except for the foregoing, the Software is provided AS IS. This limited warranty extends only to Customer as the original licensee. Customer's exclusive remedy and the entire liability of ADT under this limited warranty will be, at ADT's discretion, the repair, replacement, or refund of the Product. ADT does not warrant the Software to be error free or that the Software will operate without problems.

This warranty does not apply if the Software (a) has been altered, except by ADT, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by ADT, (c) has been subjected misuse, negligence, or accident, or (d) has been used in hazardous, "in-vehicle" (military or civilian land, aircraft or space) or safety critical applications.

DISCLAIMER

EXCEPT AS SPECIFIED IN THIS WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF USEAGE, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW. IN NO EVENT WILL ADT OR ITS SUPPLIERS BE LIABLE FOR ANY LOST REVENUE, PROFIT, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR RELATED ADT HARDWARE EVEN IF ADT OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In accepting this license, and as applicable by local State, Federal or Country law, the Customer agrees that in no event shall ADT members, ADT employees, suppliers, contractors, distributors or sales representatives be liable to Customer, whether in contract, tort (including negligence), or otherwise, exceed the price paid by Customer. The foregoing limitations shall apply even if the product (hardware or Software) or warranty fails its essential or advertised purpose.

The above warranty does not apply to any beta Software, any Software made available for testing or demonstration purposes, any temporary Software modules or any Software for which ADT does not receive a license fee or hardware product fee. All such Software products are provided AS IS without warranty. This License is effective until terminated. Customer may terminate this License at any time by destroying all copies of Software including any documentation. This License will terminate immediately without notice from ADT if Customer fails to comply with any provision of this License. Upon termination, Customer must destroy all copies of Software. Software, including technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries.

Customer agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export, or import Software. This License shall be governed by and construed in accordance with the laws of the State of New Mexico, United States of America, as if performed wholly within the state and without giving effect to the principles of conflict of law. If any portion hereof is found to be void or unenforceable, the remaining provisions of this License shall remain in full force and effect. This License constitutes the entire License between the parties with respect to the use of the Software. Restricted Rights - ADT's Software is provided to non-US government agencies with RESTRICTED RIGHTS and its supporting documentation is provided with LIMITED RIGHTS. Use, duplication, or disclosure by the Government is subject to the restrictions as set forth in subparagraph "C" of the Commercial Computer Software - Restricted Rights clause at FAR 52.227-19. In the event the sale is to a DOD agency, the government's rights in Software, documentation, and technical data are governed by the Technical Data Commercial Items clause at DFARS 252.227-7015 and DFARS 227.7202.
